Due to the unexpected departure of donaldsarmy.us from Matrix, a lot of users previously in [#generals:matrix.donaldsarmy.us](#) have been thrown to the wind. Myself, along side another mod of the now

abandoned room currently have setup another matrix room that TheDonald users can use.

If you have any questions about matrix, or are having trouble with anything feel free to ask for help.

While I wouldn't suggest using matrix.org as your homeserver, it's fine in the mean time. In future you should consider switching to another homeserver. I'm currently in talks with a few other homeserver admins of creating a matrix homeserver specifically for maga supporters.
